

INVISIO®

G5

**The world's smallest Bluetooth® headset
with up to 20 hours of talk time**

Unique Protective Charging Case

Allows you to charge your INVISIO® G5 on the go

INVISIO® G5 utilizes the patented Soft Spring™ system

Ensures a unique and comfortable fit, allowing easy use of eye wear, that can be worn in either ear

Compatible with all Bluetooth® enabled mobile phones

Supports Bluetooth® V. 1.2 and V. 2.0 with headset and hands-free profiles

INVISIO®

G5

SUPERIOR COMFORT

The unique Soft Spring™ adapts perfectly to the contours of the ear, allowing easy use of eye wear and offering maximum comfort as well as a secure fit. The Soft Spring can be adjusted to perfectly fit the contour of any ear.

UNIQUE PROTECTIVE CHARGING CASE

With INVISIO® G5 protective charging case there is no need to be close to any power supply for a long time. It recharges the headset up to 5 times which means up to 20 hours of talk time! While not in use, you will protect and charge the headset on the same time. The protective charging case has a fashionable design with black rubber finish.
