## **INVISIO Headsets signs strategic Distribution Agreement with Radio Manufacturer**

**INVISIO Headsets has signed a distribution agreement with a well-established manufacturer of 2 way radios for professional users. The agreement means that the radio manufacturer will promote and sell INVISIOs products and is strategically important to INVISIO as the radio manufacturer has a strong presence in several markets, especially within Europe and towards Military segments.**

“This agreement is another decisive step forward according with our strategy to focus on professional products and to expand our distribution within this business area. It is important to us to have strong relationships with radio manufacturers since the radio is a driver for using our products” says Lars Højgård Hansen, CEO of INVISIO Headsets.

With this agreement INVISIO continue to strengthen its position as a supplier to military units across the globe.
